

66-YEAR COLLECTION FOR SALE

After many happy decades of collecting with my lovely, late wife Bernice, the time has finally come to sell our collection. I have many antique and non-antique sets, figural sets, playing sets, art sets, etc., in many different materials and mediums (about 800). I have a few boards, but mostly sets. I also have quite a bit of framed chess art (old prints, photos and other pictures) hanging on my walls. I would love to see many of my items go to my fellow chess collectors in CCI, with whom I have so many fond memories of past meetings and get-togethers. If interested in part or all of the collection please contact Floyd Sarisohn or my son David Sarisohn at lichess@aol.com or telephone (631) 543-1330. Or write us at 8 Walter Court, Commack, NY 11725. Thank you.
