Re.: **German CCI Meeting
from 10th/11th to 13th October 2024 in Hohenberg a.d. Eger.**

24. 6. 2024

Dear Members and Friends of CCI,

in May this year we met in Oxford, England for the 20th Biennial International CCI-Congress. Nevertheless we plan to hold a German CCI-Meeting in October. At present there is a wonderful exhibition "Chess and Pocerlain" in Hohenberg a.d. Eger near Selb. Given this opportunity, we decided to hold our meeting there and attend the "Finissage" of the exhibition.

Both W. Angerstein and T. Thomsen were, due to other commitments, not in a position to organize the meeting in June.

Therefore we ask all interested participant to save the following date:

10th/11th to 13th October 2024

You should receive the invitation and the programme by the end of July.

The enclosures contain informations about two further Chess Exhibitions in Germany that are open until October.

Yours

signed W. Angerstein
