

YOUR INVITATION  
for the  
CHESS COLLECTORS INTERNATIONAL  
**WESTERN HEMISPHERE CONFERENCE**  
New Orleans, USA  
September 4-7, 2025

You are hereby cordially invited to attend the Western Hemisphere Conference of Chess Collectors International, to be held in New Orleans, Louisiana USA, from September 4<sup>th</sup> through 7<sup>th</sup>, 2025. *In the French Quarter, where else?*

We have an exciting program planned for you. New Orleans is an exciting city, home of the famous 19<sup>th</sup> century chess prodigy and unofficial world champion, Paul Morphy.

This September, our conference will include:

- Visits to two museum exhibitions - at The Historic New Orleans Collection (to include a look at Morphy's own chess set), and the Beauregard-Keyes House, a historic residence with many Morphy connections of its own.
- Lectures on chess-related topics.
- A simultaneous exhibition with renowned chess master, and arguably the most famous street player in the world, The Man in the Red Beret, Jude Acers.
- Gala dinner at Brennans Restaurant, formerly the home of Paul Morphy. Opportunity to enjoy a lavish New Orleans dinner, play chess in the Morphy Room (the upstairs room where he died), and a possible surprise guest.
- A Mississippi riverboat cruise with music and dinner.
- A chess market.
- Priceless opportunities to meet and connect *in person* with like-minded collectors, and learn about chess history and heritage in ways you may never have thought of before!

**YOUR ORGANIZERS:**

Tom Gallegos: [chesscollectorsintl@comcast.net](mailto:chesscollectorsintl@comcast.net)

Luann Woneis: [l.woneis@comcast.net](mailto:l.woneis@comcast.net)

Please feel free to contact either of us at any time with any questions, comments or concerns you may have about the conference. **Conference and hotel registration deadlines are August 1, 2025.**

**HOTEL INFORMATION:** Our conference hotel will be the historic Bourbon Orleans, centrally located at 717 Orleans Street, New Orleans, Louisiana, 70116. **For this meeting, we have a dedicated reservation link: Click [here](#) or you can call 1-855-771-5214 and provide booking code 2509CCIWest.**

Our conference rate (also good for 2 days before and after the conference) is \$210 single or double occupancy including taxes, fees and assessments. Let me emphasize: This rate is inclusive of taxes and fees. Our members in the US are perhaps more used to seeing hotel rates quoted without all the taxes, etc. Our base rate before the required additions is \$179/night. So, plan on \$210/night.

Some notes on our special hotel arrangement, which we are required to disclose:

- Minimum 2 night length of stay and no Saturday arrivals or departures.
- All rooms subject to an Early Departure Charge equal to one night's room rate including applicable fees, taxes, and assessments.
- Overnight parking rate (not included in the room rate) is currently \$50 plus tax. This rate may change by the time we hold our conference.
- Breakfast is also not included in the room rate. The attached restaurant, *Roux*, does serve breakfast daily from 7:00 am to 12 noon. Alternatively, the entire (incomparable) French Quarter is right outside your door.
- All guests will pay for their sleeping rooms directly with the hotel.
- Our rates are good through August 1, after which the hotel can release any non-reserved rooms in our room block.
- A credit card is required to guarantee your reservation. A non-refundable deposit equal to one night's stay (including taxes and fees) will be charged at the time of registration. If a guest does not cancel at least 72 hours before the guest's check-in date, the hotel may charge the credit card one night's room fee plus applicable taxes.
- At the time of check-in, the hotel may place a hold in accordance with the hotel's standard procedure or process a prepayment in the amount of the guest's estimated charges if prepayment has not already been made.
- If we get a large turnout our room block number could be reached before the August 1<sup>st</sup> date and other reservations will be at the prevailing rate at the time. (If it looks like we will hit that number, we will try to add to our block, but we cannot be sure that will be possible.)

Our hotel is located right in the center of the French Quarter, the old historic section of New Orleans, on Bourbon Street and within easy walking distance of almost all our conference activities. Pictures available on the hotel website: [www.bourbonorleans.com](http://www.bourbonorleans.com)

Our block of rooms is fairly small, so **please book your hotel room well in advance of August 1, 2025!**

## SPECIAL NOTE FOR FOREIGN NATIONALS TRAVELING TO THE USA:

Citizens of Canada and Bermuda traveling to the United States generally do not require a nonimmigrant visa for tourist travel. For travelers from many other countries, if you do not already have a valid visa for travel to the USA, you may no longer need one (provided you are arriving by air or sea, not over land through Canada or Mexico). For most European countries, a few British Commonwealth countries, and several other nations around the world, there is now something called the Visa Waiver Program (VWP), for which you can apply through the new Electronic System for Travel Authorization (ESTA). Make your ESTA application as soon as you know your travel plans. Do not wait until the last possible minute to apply for your ESTA waiver. (The last possible minute is defined as 72 hours before your flight. You could still do it then, but this would be cutting it close, with little to no time for recovery if something goes wrong!)

NOTE: This information was correct as of this writing, but the situation may change. For more information on travel to the US: <https://travel.state.gov/content/travel.html>

For information specifically about the ESTA program and to apply online, go to the following US Government link: <https://esta.cbp.dhs.gov>.

(Overheard in the French Quarter)

“Excuse me, can you please direct me to the Bourbon Orleans Hotel?”

“No problem, it’s right there at the intersection of *BOURBON* and *ORLEANS* Streets!”

### **CHANGES POSSIBLE!**

“You know I never thought I should like to play chess, but for lack of anything else to do, I let Paul teach me the moves. Then we played several games for study, while he explained the reasons for these moves. After these sittings, I changed my mind and my opinion and now I do not see how a man who did not play chess could be happy. As soon as I get out of the infirmary, I am going to get a chessboard of my own and ransack the bookstores in Mobile for chess books. I wish you would have similar stores ransacked for me in New Orleans.”

Charles de Maurian, Sr.  
as quoted in *The Chess Players* (1960)  
by Frances Parkinson Keyes (pg. 114)
